

Dear Christine,

Thank you so much for the time you spent with us at our home and on your presentation package for the sale of our house. We were very impressed! Please accept this token of our appreciation for your valuable time and effort!

Thank you for your lovely card and the darling photo of the kitties contemplating lunch by the pool. Very cute. We all love our kitties.

It was very nice to meet you and we will certainly recommend ^{you} to anyone we know who is looking for a Realtor!

BEST WISHES

LINDA
